General Show Rules

1. For the execution of this event, regulations of the PHCG as well as the current Official APHA Rule Book and this announcement apply

By submitting the entry, the participant/horse owner acknowledges the regulations applicable to the event.

2. APHA Rule Variance *pending BOD approval*

SC-110. Placements up to 6th place will be announced only in Halter and Rail classes under each individual judge.

In all scored or timed classes, the placements of each judge will not be announced in the arena.

There will only be a Top 10 scoring in the arena. All scoresheets for these classes will be published.

3. „All Paint Registries“ classes

APHA allows that some disciplines could be held as a “All Paint Registries” class. This means that Solid Paint-Bred and Regular registered Paint Horses are able to start in the same class. As PHCG delegates already decided, there will be only one overall placing and one title for these combined classes. However, the APHA will continue to award points based on the number of horses of the respective registration type.

Example:

Open SPB Western Riding can be held class-in-class with the Open Western Riding. In this case, the classes are merged, but the final results recorded by the APHA for APHA points are kept separate. Therefore, the points for the Open SPB Western Riding are based on the number of SPB horses and the points for the Open Western Riding are based on the number of horses registered as a regular. This may mean that a SPB will be “German Champion Open Western Riding” but will not get any APHA points due to any other SPB’s in this class.

4. Youth Walk Trot classes

For the little ones there is still a Lead Line, but the older children should also be given the opportunity to compete among their peers.

- All children between 6 (from the 6th birthday) and 13 years (completion of the 13th year) may participate
- The children need a PHCG membership (family memberships are free)
- Regular as well as SPB can be presented, the horses do not have to be owned by the family
- No stallions may be presented
- Regardless of the age of the horse, it may be ridden one-handed in a bit or two-handed in a snaffle bit/hackamore
- Helmets are mandatory in ridden classes
- Participants in Walk Trot classes are not allowed to participate in any other competition except Halter classes
- The size of the arena will be adapted to the level of the exhibitors
- A selection of possible patterns will be published early, which one will be taken will be published at the same time as all other patterns
- In ridden classes, a parent or adult may join the line up and assist in the completion of the class if necessary. This does not lead to disqualification, but the participant will be placed behind those children who have mastered the class without support

- The disqualification rules for Novice riders apply
- In all points not explicitly regulated, the APHA Rulebook applies
- There is no individual placing for each judge, only an overall placing
- There are no German Champion titles

5. Late Entries

Entries of horse-rider combinations not yet entered must be made via the online portal. From 27.05.2023 on, additional fees will be charged here. Already entered combinations can send changes or additions by email to the registration office. Here too, from 27.05.2023 onwards, additional entry fees may be due

Late entries are only possible in classes that have not been deleted at the entry deadline and only if they are reported up to two days before the class is held. (Example: The class takes place on Friday, the entry must be made by Wednesday at the latest)

6. Refunds

Presenting a vet/med certificate **before the entry deadline** we will refund all of the entry and stall fees, Office Charge is not refundable.

Presenting a vet/med certificate **after the entry deadline** we will refund half of the entry fees, Office Charge is not refundable. Fees for stalls are only refunded if the Show Management can rent out those stalls again to other parties.

7. Doping

By submitting the entry form, riders, exhibitors and horse owners agree to the drug testing (urine and/or blood) of their horses. A horse cannot be shown in any class if a prohibited substance has been administered to the animal in any manner. Prohibited substances are those set forth in the current Official APHA Rule Book as well as the current FEI list of prohibited substances. The Show Manager decides in any individual case if a medication will be accepted (medication sheet).

In case of violations, horse owners, riders and horses will be disqualified from the entire event. By submitting the entry form, the horse owner/participant agrees to bear the entire costs of the doping test in case of a positive result and to give back any titles, awards and prize moneys won.

8. Vaccination/Equine Passport/Health Certificate

Each horse must be disease free and must come from a disease free stable. The horse must also be vaccinated against influenza. Vaccination for EHV is optional but strongly recommended by Show Management.

The Equine Passport including the certificate of vaccination must accompany the horse and shown at the Show Office upon request.

Horses stalled outside of Germany must submit a health certificate.

9. Clipping

Paint Horse Club Germany e.V. will control his members if their horses are clipped. Clipped horses can't get any titles. The rules could be found at www.phcg.de. National laws in Germany prohibit all clipping of hair around nose, mouth, eyes and inside ears. If a horse is clipped, the person in charge of the horse is subject to disciplinary action by the state veterinarian.

10. Data protection

With sending the entry form, all listed/filled fields will be transferred to PHCG e.V. and thus to the show office mentioned in the announcement. The use is for hosting the show and the associated release in the program, on the entry list and the result list. There is no data transfer to order data processors, only the results are passed on to the American Paint Horse Association at Fort Worth/USA and to FunnWare Development/USA as operator of HorseShowTracker. The legality of this processing is given by the condition GDPR Art 6 (1) b – “processing to fulfil a contract”. Participation at this show without acknowledging this point is not possible. Due to new German regulations (Viehverkehrsordnung) data on the stable address of participating horses will be stored.
